LED video displays. Scoreboards. Scoring & timing

Scoreboards

Whether it's a compact, portable scoreboard or a large scoreboard with room for player, inning, game information, sponsor ads and decorative arches; we offer models for every play level and facility size. With brighter LEDs, custom design options, superior weather-proofing and durable components, our scoreboards are built to last.

Videoboards

The captivating viewing experience of an OES LED video display draws everyone watching into the action moment by moment. With excellent visibility from any angle and superior components, fan engagement is enhanced when your team's success is broadcasted onto our vibrant video screens.

Scoring Tables

OES LED scoring tables are a great addition to the sidelines. With stunning clarity and exceptional durability they offer a dynamic and modern way to display game stats, energize the crowd and generate revenue through advertising. Choose from 6', 8' or 10' scoring table options or connect multiple tables together for longer, seamless table lengths.

Accessories

Track game day information with ease. Shots, pitches, time of day and game time can be easily tracked and displayed on our vivid display clocks. Add options for decorative arch trusses, LED message centers, customized colors and electronic team names to complete that pro venue feeling.

Controllers

From our lightweight hand-held ISC-HHX controller to our renowned ISC-9000 controller, our scoreboard and videoboard control systems are designed to be easy, efficient and link multiple scoreboards together.

Event production software

Bring your videoboard and scoreboard to life with Bolt, our live event production suite. Easily broadcast and entertain fans with live video feeds, sponsor ads, team messages, still and motion graphics. For an enhanced viewing experience, connect Bolt to your OES controller and display a wide range of real time scoring and stats information during your event.

About OES Scoreboards

OES Scoreboards has a long history of partnering with schools across North America to bring pro sports facility experience to their venues. We're renowned for our exceptional customer service, talented in-house engineers and expertise in providing high-quality, scalable, custom video displays, scoreboards and timing solutions for Pro sports venues, colleges, K-12 schools and community centers.
